Michael M. Ziegelbaum, MD, FACS, Board Certified Urologist at [Advanced Urology Centers of New York \(AUCNY\)](#), the largest independent provider of urology services in the United States, has been elected as an At-Large Member of the North Shore University Hospital (NSUH) Medical Staff Society. The purpose of the Staff Society is to promote, provide and support medical education in order to maintain the highest scientific and educational standards.

“The North Shore University Hospital Medical Staff Society is an important organization in the medical community,” said [Deepak A. Kapoor, MD](#), President of AUCNY. “We are proud that Dr. Ziegelbaum has been elected and commend him for his hard work and dedication. The doctors at AUCNY continue to be leaders in the medical community, further demonstrating our commitment to providing the best medical services possible for our patients.”

Dr. Michael M. Ziegelbaum, of Advanced Urology Centers of New York’s Lake Success Division, is certified by the American Board of Urology and a Fellow of the American College of Surgeons. He is the president-elect of the [Nassau County Medical Society](#), an assistant clinical professor at Hofstra North Shore – LIJ School of Medicine and is one of Castle Connolly’s 2013 Top Doctors. Dr. Ziegelbaum currently resides in Jericho, NY.

“It is a great honor to be elected to the NSUH Medical Society. I look forward to contributing to such an important organization and acting on behalf my medical colleagues, peers and AUCNY,” said Dr. Ziegelbaum.

The NSUH Medical Staff Society is comprised of elected medical staff leaders representing more than 3,000 physicians with admitting privileges at North Shore University Hospital located in Manhasset. The Staff Society provides communications to the hospital's medical staff and deals with quality of care and medical staff issues at the hospital. The organization is committed to maintaining the highest professional standards among its members, while promoting social and professional fellowship. The Staff Society acts as a spokesperson for the interests of the Active Medical Staff and a liaison to the Medical Board, Credentials and Joint Committees.
